Campaign Development

# When it comes to crafting truly great social content, “digital hygge” is our secret sauce.

## Social Media is Digital Hygge

When done right, social media marketing isn't just about engagement; it's about evoking emotions.

We harmonize brand purposes with customer needs to create growth. We call this brand/human harmony **Digital Hygge.**

Our goal is to create social media campaigns that resonate deeply with your audience, leaving them feeling connected, valued, and understood.

# How We Typically Work with Brands

Stellar partnered with Life Elements, a leading sustainable CBD company, to enhance brand presence and drive tangible results across social media platforms. With a focus on increasing brand awareness, boosting sales, and enhancing engagement, Stellar created a comprehensive approach to align activities with Life Elements' business objectives. We monitored key metrics like follower growth, engagement rates, and sales conversions, using data-driven insights to refine strategies. This approach significantly boosted Life Elements' success in the competitive CBD market.

- **Increased** followers, engagement, and reach across all platforms
- **Executed** around 175+ posts across all platforms
- **Implemented** scheduling and analytics process
- **Designed** and developed new creative content assets
- **Generated** new strategic content pillars
- **Researched** and audited competitors

Competitive/Comparative Analysis

Audience Research

Stellar executed a comprehensive overhaul of C3RV's brand identity, aimed at forging a robust and cohesive presence across social media platforms. Our process began with a competitive audit followed by analysis of target demographics. Drawing from these insights and aligning with brand objectives, we crafted strategic content pillars and creative cross-channel assets. To ensure sustained engagement, we implemented scheduling, analytics, and reporting processes.

- Redesigned brand identity including logo, color palette, typography, tone & voice
- Created Strategic content pillars & creative assets for social media
- Implemented Scheduling, analytics, and reporting process
- Planned monthly content in curated content calendar
- Developed email marketing strategy and content
- Research and audited audiences and competitors
